

ADS  
Consultants

*Consultants Autrement*

---

“ When we need to address operational issues or when we have problems to solve, we call on ADS Consultants ”

Head of Customer Administration department,  
for the Investment Bank of a French banking group

## OUR EXPERTISE

### 1. Risk management & control systems

How to meet regulatory requirements?

How to adapt my organisation to these requirements?

ADS Consultants deliver appropriate risk management solutions in line with the applicable regulations.

### 2. Processes & operational efficiency

How to implement cross-functional processes?

How to deliver faster while maintaining the same level of quality?

ADS Consultants support you to adapt and optimise business and accounting processes.

### 3. Business requirements & Information Systems

How to work more efficiently thanks to your IS?

How to improve your IS efficiency?

ADS Consultants carry out assignments related to IS governance to respond to operational risks and regulatory requirements.

## OUR FIELDS OF EXPERTISE

- ▶ **Bank accounting.** We are experts in bank accounting, we have extensive experience of working with accounting and financial departments
- ▶ **Smart tools.** We design and rapidly implement smart IT tools that are suited to your daily tasks.
- ▶ **Crisis management.** Within just a few days, we can set up expert task forces to control and manage emergency situations.

“ A hands-on approach,  
direct communication and  
relevant solutions. ”

Managing Director,  
of a Regional Agricultural Cooperative in South-West France

## OUR APPROACH

### Giving a meaning to work

ADS Consultants gives meaning to your teams' work.

To guarantee the result meets your objective, we draw on three key pillars:

- ▶ Operational factors
- ▶ Cross-functional factors
- ▶ Efficiency

### Operational harmony

We are passionate about our work.

We establish a working relationship with your teams based on trust and harmony driven by the three core values of our business culture:

- ▶ Pragmatism
- ▶ Humility
- ▶ Pedagogy

“ Yes, they are consultants,  
so they have all the experience and expertise.  
But they have such a close relationship  
with their customers that  
they can overcome every problem. ”

Supervisor  
in the General Auditing Department of a French Banking Group

## YOUR TRUST

The Partners Managers are your key contacts. They guarantee the quality of the working relationship, the monitoring and success of the projects and the relevance of advices given.

**90% of our customers have worked with us repeatedly.**

We work with companies in many business sectors:

- ▶ Banking
- ▶ Insurance & Mutual Health Insurance
- ▶ Industry
- ▶ Agricultural Cooperatives
- ▶ Health-care
- ▶ Telecommunications & Media
- ▶ Real-estate
- ▶ Services

What makes us different is that we approach each project based on the customer's vision and not the consultant's standardised vision.

ADS Consultants, an independent consulting firm since 1996
